3. We have agreed to the proposal and will meet with them from 1400-1530 on 25 April in Room 904, Magazine Building. After a brief introduction, I plan to have each of you give a 15-minute briefing on your activity with emphasis on the part that would interest a group of students visiting various government agencies where geographers and cartographers are employed. The last half hour will be devoted to questions and answers, and an opportunity to review materials you may wish to display.
